General Data Protection

I consent to images of my child being used on the school's:

Website (including Newsletters)

☐

Closed YouTube school account

(For class videos to be uploaded to this account, this box must be ticked. This is only visible to parents and carers, via a link that is sent out at the time that the video is uploaded to YouTube. It will not be uploaded to YouTube unless permission is given by all parents and carers in the class)

☐

School prospectuses, flyers, leaflets and brochures

☐

Other promotional material (such as banners, signs and displays)

☐

Advertising in newspapers and other media

☐

In and around the school building

☐

In promotional materials to show the history of the school

☐

Consent to using your child's images will last throughout your child's time at the school and will continue to apply for a short time after they leave (except for images published for historical purposes which may be kept for an extended period of time to show the history of the school).

We would like to seek your consent to the use of your child's images and will respect your decisions when publishing photos moving forward.

You can withdraw your consent at any time and can do so by writing to the School Business Manager asking them to stop using your child's images. At that point they will not be used in future publications but we cannot prevent them from continuing to appear in publications already in circulation.

Internet

Pupils at Blackwell are routinely given filtered access to the internet. As a school user of the internet, pupils must agree to follow the school rules and acceptable use policy. Failure to do so may result in the loss of access to these resources. A copy of the Computing policy can be found on the school website.

I consent to my child being given filtered access to the internet
