

Responsibility**Respect****Compassion****Courage**

29th April 2022

Dear Parents and Carers

Please can we remind the whole school community that we are a **NUT FREE SCHOOL**. This includes, but not limited to, the contents of hand creams and sun creams. Please ensure that no food or products containing any form of nuts are used or sent in to school. If you would like further information or clarification regarding products containing nuts, please see the below information released by Allergy UK. Please do not hesitate to contact us if you have any queries.
