

Whole school Overview-Physical Education

At Blackwell Primary school we follow the scheme PE Planning, this supports the progression of knowledge and skills throughout the year and when children move from one year group to another.

We recognise that PE is a specialist subject and as such we ensure that the staff have access to training and support to ensure that the children are exposed to quality PE lessons consistently. As a result of this some of the units below may take place at slightly different times of the year and children may be taught by their class teacher or their class teacher and a specialized coach.

	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
