

My New Class Welcome to Year 2

My teachers will be **Mrs Nassiri** and **Miss Cantillon** and my class is called **Hares**.

Our classroom is in the Key Stage One area between the hall and the Key Stage One playground, closest to the dining hall.

My new cloakroom is in the corridor outside of my classroom.

Mrs Nassiri

Miss Cantillon

We would like to invite all parents and carers to a 'Welcome to Year Two!' meeting in the Autumn term. More information will follow in September.

Our topic for Autumn term

In the Autumn term our topic is called 'Let's Party!' and we will be learning all about Being Healthy.

Our question that we will be exploring is '*Can party food be healthy?*'

Have a think about these questions!

What is your favourite food? What party food do you like to eat? Is party food healthy? Which food is healthy for us to eat? What can you do to keep healthy? Why is important to keep healthy?

You could ask your parents and grandparents about their favourite food. Why do they like it? How do they keep healthy?

A welcome from Mrs Nassiri

Hello everyone and welcome to Hares Class. I'm really looking forward to being one of your teachers next academic year. I will be teaching you on a Monday, Tuesday and Wednesday. A bit about me; before I became a teacher I travelled to some really interesting countries such as Australia, Cambodia and China. I am also the geography champion of the school. I'm really passionate about horses and love riding. Finally, I'm a Mum to two lovely children and I enjoy going on walks and exploring with them. Have a wonderful summer and I look

A bit about me; I am a creative person and champion art at school! I bake and enjoy making bespoke cakes for my friends and family! I dance and swim regularly both in pools and open water.
