

My New Class Welcome to Year 2

My teacher will be **Mrs Le Gresley** and my class is called **Rabbits**. Our classroom is key stage one area, between the hall and the key stage one playground, closest to playground.

My new cloakroom is in the corridor outside of my classroom.

Mrs Le Gresley

Our topic for Autumn Term

In the Autumn term our topic is called 'Let's Party!' and we will be learning all about Being Healthy.

Our question that we will be exploring is '**Can party food be healthy?**'
Have a think about these questions!

What is your favourite food? What party food do you like to eat? Is party food healthy? Which food is healthy for us to eat? What can you do to keep healthy? Why is important to keep healthy?

You could ask your parents and grandparents about their favourite food. Why do they like it? How do they keep healthy?

A welcome from Mrs Le Gresley (pronounced Le-gray-lee)

I am really looking forward to being your teacher in September when you move into Year 2. Your last teacher has told me what a wonderful how great you were in Year 1 and how fun you are to teach. I can't wait to get to know you better in the autumn.

Over the summer, I'll be enjoying lots of reading and visits to the beach to look in rock pools and swim in the sea. I absolutely love nature and wildlife and have been enjoying watching all the birds and other animals that visit my garden. I also enjoy gardening and growing vegetables in my garden.

I hope you have a happy and healthy summer.

We would like to invite all parents and carers to a 'Welcome to Year Two!' meeting in the autumn term. More information will follow in September.
