

Goldfinches

Welcome to Year 3&4

My teachers will be Miss Harman (Tuesday to Friday) and Mrs Webb (Mondays) and I will be in **Goldfinches** Class. Our classroom is the KS2 area and is the middle classroom on the bottom floor next to the Learning Street. My new cloakroom is next to my classroom.

Our topic for Autumn term

In the Autumn term we will be learning all about light and sound.

Throughout the unit we will be investigating how we see and how we hear.

Have a think about these questions!

How do our eyes work? Why do we need light to see? How are shadows formed?

Which materials would be best for blocking out light and sound? Does sound travel through materials? What properties would that material have? What is the quietest sound the human ear can hear?

Miss Harman

A welcome from Miss Harman

Hello! I am SUPER excited about being your new teacher! Some of you will recognise me as I was your teacher when you were younger. Here is a little bit of information about me. I love to spend time with my family and friends and my favourite things to do are visiting the beach, exploring new places, being creative and reading stories, especially mysteries! I have a black Labrador called Sasha and I enjoy taking her for walks with my son. My favourite bird is the Goldfinch which I often spot outside my kitchen window. I love learning new things such as British Sign Language and you may have come to my school club to learn some. I cannot wait to be your teacher and hear about what you enjoy doing!

Mrs Webb

A message from Mrs Webb

Hello, children! My name is Mrs Webb and I am really looking forward to being your new teacher on a Thursday and Friday! Here is a little bit of information about me: I have two teenage boys so they keep me busy a lot of the time! I love to spend time playing tennis and I also like to run and hike. However, afterwards I very much enjoy baking and eating different cakes. This summer, I am hoping to catch up with my family in the North and spend a week in Devon being energetic on the cliffs and relaxing on the beach! Have a lovely summer!

We would like to invite all parents and carers to a 'Welcome to Year 3/4!' meeting in the Autumn term. Information will follow in September.
