

My New Class Welcome to Year 5

My teacher will be **Ms McKnight** and my class is called **Cedar**.
Our classroom is in the key stage 2 area, first right along the middle of the corridor.

My new cloakroom and toilet is next door to my classroom.

Ms McKnight

Our topic for Autumn term

In the Autumn term we will be learning all about MYSTERIOUS MATERIALS! You will become a materials scientist who will be fantastic investigators by find evidence to support your scientific predictions. I want you to be thinking about why things are made of certain materials.

A welcome from Ms McKnight

I am very excited about teaching you this year!

I have been teaching for over 20 years in both secondary and primary schools and I am really enjoy teaching year 5!

I love the outdoors, swimming, animals and reading. I also love History- but you already knew that, as I am the History Champion at the school.

This summer I'm hoping to go camping with my family and dog and later visit Italy.

I hope that you have a wonderful summer and I cannot wait to see you in September for the start of an exciting new school year!

We would like to invite all parents and carers to a 'Welcome to Year Five!' meeting in the Autumn term. More information will follow in September.
