

My New Class Welcome to Year 5 Oak

My teacher will be **Mrs Eldrett** and my class is called **Oak**. Our classroom is upstairs in the Key Stage 2 area next to the Key Stage 1 playground.

My new cloakroom is in the area next to the classroom.

Mrs Eldrett

Our topic for Autumn term

In the autumn term, we will be learning all about MYSTERIOUS MATERIALS!

You will become a materials scientist who will find evidence to support your findings.

I want you to be thinking about why things are made of certain materials.

A welcome from Mrs Eldrett

I am delighted to be your class teacher in Year 5. I love the outdoors, and spend my time farming, gardening and spotting wildlife. I enjoy travelling, with the highlights being; climbing Kilimanjaro in Tanzania, sandboarding in Namibia and canoeing through the rainforests of Borneo to see the orangutans in the wild. I'm a Mum of two lovely children and enjoy going to the National Trust gardens for walks and picnics. I have a passion for reading too! I hope that you have a relaxing summer and look forward to all of the exciting learning that will happen in September.

We would like to invite all parents and carers to a 'Welcome to Year Five!' meeting in the autumn term. More information will follow in September.
