

Responsibility**Respect****Compassion****Courage**

Dear Parents and Carers

The Reading Team are pleased to be able to offer an eBook Library of book banded levelled reading books, as well as books matched to phonics teaching, that your child can access from home.

The Oxford Owl eBook Library and Essential Letters and Sounds eBook Library offers a variety of books, matched to our Essential Letters and Sounds phonics scheme, which your child can read at home in addition to the book banded levelled reading book that they bring home each Friday.

Each Year Group has a class log in, and information on how to access the library is attached to this email. The information leaflet contains the **log in details** for your child's Year Group and shows you how to access the books from home.

This is a fantastic source of appropriate levelled texts, which will support your child's reading progress.

If you have any questions or queries, please ask to speak to someone in the Reading Team.

Happy reading!

Yours sincerely

K Turner (Mrs)

H Harman (Miss)
