

# Talk to Me, Phonics!

This week in phonics, your child has been learning and focusing on the following sounds:

|     |                                                                                     |                        |
|-----|-------------------------------------------------------------------------------------|------------------------|
| i-e |    | Time to Shine          |
| o-e |    | Note in an envelope    |
| u-e |   | Tune on a flute        |
| C   |  | Cycle through the city |

We have also been learning these harder to read and spell words.

|      |      |
|------|------|
| want | very |
|------|------|

Can you correctly label these pictures with an 'e\_e', 'o\_e' or 'u\_e' sound?

|  |                                                                                      |  |
