16th January 2026

Dear Year 6 Parents

KS2 Assessments

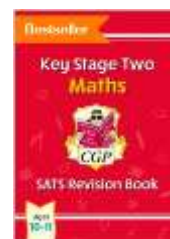

Just a reminder that our KS2 Assessment Information evening is on **Thursday 22nd January, 6pm**. We would urge you to attend, even if you have had other children go through the SATS process before. Please note this meeting is **not** for the children. Please complete the attached Google form to let us know if you will be able to attend and if you have any questions.

<https://forms.gle/CGYr3qkrb9dVyQpc7>

At present, your child is working hard towards their end of Key Stage Two Assessments. The information below details how we will continue to support your child's learning in school, as well as how you can support your child to learn further at home.

1. CGP KS2 Maths SATs Revision Book

Your child will be given a copy of this revision book. This will be an easy reference for them when revising. **Please note, this book will need to be returned to school after the assessments.** Therefore, please do not write in the book e.g. the 'Practice Questions' at the end of each section, write on a separate piece of paper (all the answers are in the back of the book). As well as revising at home, there will be times where it will be needed in school so please can your child keep this book in their bag. Thank you.

**2. LbQ Academic Support Sessions**

Many thanks for all those attending these support sessions. If your child would like to attend further sessions, the sessions run every morning between 8.00 – 8.30 am and Monday – Thursday 3.10 – 3.45 pm.

We will continue to support your child in progressing and achieving well in school and we hope the revision book will help you to support your child in their learning at home.

If you any questions, please do not hesitate to contact us.

Thank you for your continued support.

Kind regards

Ms McKnight
Year 6 Teacher
