

Responsibility**Respect****Compassion****Courage**

22nd January 2025

Dear Year 4 Parents and Carers,

We would like to invite you to a Parents' Information Meeting about the Multiplication Tables Check (MTC), a statutory assessment for Year 4 pupils.

To offer flexibility, the meeting will take place on two occasions:

Thursday 5th February 2026

6:00pm – 7:00pm

School Hall

Friday 13th February 2026

8:50am – 9:50am

School Studio

The meeting will explain what the Multiplication Tables Check involves, how pupils will complete it, and how the results are used in school. We will also demonstrate practical ways parents and carers can support times-tables practice at home.

We are very proud of our outcomes in this area and are pleased to share that Blackwell Primary School's results place us among the top 1% of schools nationally.

ACTION REQUIRED:

Please complete the Google Form below to let us know which session you plan to attend.

Google Form link: <https://forms.gle/5L4u9kqehfFb6ndaA>

Response deadline: **Please complete the form by 30th January 2026**

Parents and carers are welcome to attend either session. If you are unable to attend, key information will be shared with all Year 4 families afterwards.

Thank you for your continued support.

Kind regards,

Mr Loizides

Maths Champion

Year 3 and 4 class teachers

Mrs Webb

Maths Champion

Mrs Hoskins
