Dear June,

I am on a fun trip to Crete. We are in a tent on a big campsite. It has a pool with a flume and a slide. When I am not in the pool, I like to ride my bike to the river and skim stones across the blue waves.

In the evening, we sit around in the tent and play games. The food is so good. Yesterday, I ate pie and cake for dinner.

In a few days, we will go on a green boat to a new town up the river. I think that we will see some bones and stone graves.

I cannot wait to see you when I get home.
