

Talk to Me, Phonics!

Week 3 - Spring 2

This week we have completed practice phonics screening checks with all of Year 1. Your child's score is in their reading diary. At this time of year, we are looking for the children to be scoring above 26/40 to be on track to pass in the summer.

The children are always encouraged to use sound buttons to support them with sounding out the words accurately. Practice putting sound buttons on the words below.

skap 	chop	flisp 
blorn 	sing	braint 
meft 	dart	scrid 
veems 	shock	splote 
twice		delay
gloom		modern
turn		saucers
mode		charming
