

<u>Stunning Start</u> Walk around the school grounds to see what plants we can see.		<u>Science</u> This unit has a real science focus. The children will gain a greater understanding of what plants need to grow; through investigating, making predictions, observations, evaluating results and reviewing. All of these skills will continue to be developed through this learning. Growing - Exploring seeds -What do plants need to grow?		<u>Maths</u> • Months and Time • Measures – capacity and volume • Money – unitising and coin recognition • Multiplication and division	
<u>Music</u> In Music we will be learning about dynamics and how we can use our voice, body and instruments to reflect different environments for example the seaside.		Year 1 Summer Term 1 2026 <u>What Grows In Our Gardens?</u>		<u>Art</u> We will be using Andy Goldsworthy to inspire our learning around sculptures. We will be designing and making clay flowers.	
<u>PSHE</u> We will be focusing on different relationships in PSHE. Different families, making friends, different greetings and people who help us.	<u>Phonics</u> We will be preparing the children for the phonics screening check by looking at a wide variety of real and alien words containing all of the sounds we have learnt since reception.	<u>Religious Education</u> In RE we will be learning about Judaism. We are learning to empathise with Jewish children by understanding what they do during Shabbat and why it is important to them.			
<u>Computing</u> We will be learning about how to give a programmable robot a set of clear instructions. We will learn that algorithms are a set of clear, precise, and ordered instructions, and that a computer program is the implementation of an algorithm on a digital device.		<u>English</u> In Curious Quest we will continue on our journey with the Forever Friends. We will be visiting places such as The Timeless Clock, Rapid Roller Skates and Chocolate Zombie to name a few. At each of these stops we will be given tasks to complete using texts such as Happy Hedgerow, Curious Questions and Answers about Plants and Supertato. Through these texts we will be continuing our learning about questions marks and exclamations, adjectives and Verbs	<u>Physical Education</u> Children to wear their PE kit school: Ladybirds –Tuesday Honeybees – Tuesday and Friday		Ladybirds – Wednesday (Woodland Activities) Please note all PE lessons will be held outside this half term. Please provide your child with appropriate clothing for the weather.
