

CHESS AT BLACKWELL SCHOOL

Chess training is now offered at Blackwell School.

Chess is a challenging pastime which develops logical thinking, concentration, forward planning and self control. Success at chess often helps the development of personal confidence which has been shown to enhance achievement in basic school subjects.

This term, the children will look at more checkmates, look at a few more endgames, and go through a few more famous games and go through some elementary tactics. There will also be another tournament. Beginners and novices are also welcome and will be taught how to play and taught some of the rudiments of the game

Lessons will take place, on Tuesday at the relevant time dependant on year group between 12.10 p.m.-1.10 p.m. with the club being open for years 2 to 6. There will be 10 lessons this term for which the fee is £48. If you would like your child to take chess training, fill in the form below and hand it to me enclosing a cheque made out to Gareth Anthony. Alternatively, if you would like to pay by BACs I can supply you with my account details if you send an email to gareth1anthony@aol.com.

The first lesson is on Tuesday 14th April 2026

✂ -----

I would like my child to take chess training, I enclose a cheque for £48 made payable to Gareth Anthony.
