

Week 4 - Summer 1

This half term in phonics, we will be recapping all of the sounds covered in Reception and Year 1. We will be reading real and alien words and will be continuing to practise using sound buttons to help us read unfamiliar words.

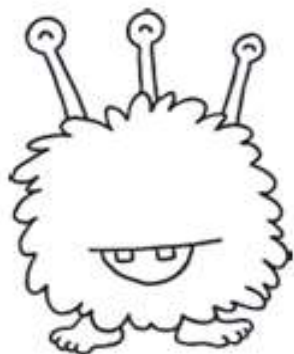

Throughout this half term, we would encourage you to be consistently recapping the sounds your child has learnt during their time in school, as this will set them up in the best possible way for the Year 1 Phonics Screening Check, which will take place in June. The Talk to Me sheets for this half term will be focussing on reading real and alien words and recalling graphemes quickly and accurately.

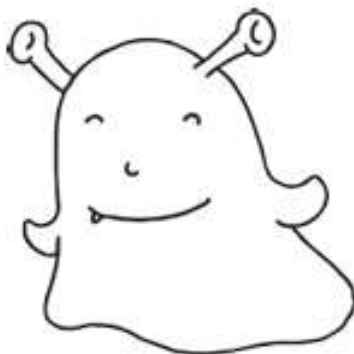

This week, please recap the sounds shown below. How quickly can you recall the sounds, set a timer and find out! If there are any graphemes you are not sure on, keep practising them to become more confident.

How quickly and accurately can you recall these sounds?
