27<sup>th</sup> March 2026

Dear Parents and Carers,

After the Easter break, Reception children will be taking part in the 'Get Cycling in Schools' programme being run through Bikeability.

We have received training and have 6 balance bikes and helmets to use in school to help all children learn the basic skills of riding a bike. We will be taking the children out within the school grounds to work in small groups to learn about bike and helmet safety, as well as fun games to practice the skills needed to ride a bike safely. If your child can already ride a bike without stabilisers, they can still take part in this programme as they will learn the safety around riding a bike and can use one of our pedal bikes.

For more information please click this link:

[https://instructor.getcycling.bikeability.org.uk/resources/04\\_Parents\\_Information.pdf](https://instructor.getcycling.bikeability.org.uk/resources/04_Parents_Information.pdf)

Please click on the Google link below to indicate if you give permission for your child to take part in the 'Get Cycling' lessons. Please complete the form by **Monday 13<sup>th</sup> April**.
