9<sup>th</sup> February 2026

Dear Parents and Carers

### **YEAR 3 and 4: Chocolate launch and evaluation event**

Dear Parents and Guardians,

Over the past several weeks, our classrooms have transformed into design studios and test kitchens. The students have been hard at work acting as professional product testers and designers, exploring the fascinating world of confectionery engineering. They have not only created their own chocolate bars but designed nets on a computer to create personalised chocolate boxes.

We are thrilled to invite you to our Chocolate Product Launch and Evaluation Event, where our young entrepreneurs will showcase their hard work. They will also share with you their informative instructions so that you will be able to recreate your own chocolate creations at home. You will support the children by evaluating their learning.

### **Event Details**

- **Date:** Thursday 26<sup>th</sup> February 2026
- **Time:** 2:30pm
- **Location:** Your child's classroom (Goldfinches, Robins or Puffins) via the main office.

We look forward to seeing you there and hearing your thoughts on our delicious new inventions!

Please fill out the Google form by Friday 13<sup>th</sup> February 2026 to say whether you can attend or not
