

9th February 2025

Dear Parents and Carers,

Year 1's Learning Experience after half term is called "Where will stories take us?" To launch this new and exciting topic, we are asking that the children bring in a bag 3 clues to their favourite fairy tale. They will then get a chance to share these with the class to see if they can guess the story. Here are a few ideas of clues you could send in:

- Hansel and Gretel – sweets, stone and witches hat
- Gingerbread man – Animals, water, photo of an old person
- Goldilocks and the 3 bears – bowl, bear and house

Please send in the clues on **Tuesday 24th February**.

We are also inviting any parents who can spare 20 minutes to come in and read their favourite story with the class. If you do have any time to spare and would like to come and read to the class, please speak to your class teacher to arrange a time and date to suit.

Many thanks

Year 1 Team
